

COUPLES FOR CHRIST

Couples for Christ is a marriage ministry that strengthens and regenerates Christian family life through commitment to the Lord and one another.

Our Vision

Under the leadership of Christ and guided by the Holy Spirit, The Worship Place Couples for Christ ministry aims to model and enrich stable Christian marriages, to prepare a solid foundation for newlyweds, engaged and other couples, and to help marriages in distress. This is accomplished by extending grace, love, and respect to all who participate or seek support. By doing so, we mature as men and women of God and become a Godly example to our families and the world.

“And now abide faith, hope, love, these three; but the greatest of these is love.”

1 Corinthians 13:13
