Have You Ever Needed a Helping Hand?

The Worship Place has a ministry called “Faith at Work - Christians Helping Others in the Name of Christ.” The purpose is to help those who may have difficulty performing some of their homeowner duties. Our volunteers listed below can:

- Change various types of light bulbs
- Change smoke detector batteries
- Add salt pellets to the water softener
- Change air conditioning/heater filters
- Perform other small tasks around the home
- Offer assistance regarding contractor’s bid or recommendation, and can be present during a scheduled contractor visit.

The following members are available for emergency light housekeeping for someone recovering from an illness, surgery, or injury.
